*The Ice Bowl is for all those disc golfers gutsy, crazy, desperate, and/or fun-loving enough to join together in an act of disc golf solidarity around the world. Regardless of the weather conditions, the idea is to have fun, to raise funds and food for local food banks.*

There are mandatory Ice Bowl Rules:

1. Under no circumstances, may an Ice Bowl be cancelled or postponed because of weather conditions.
2. No wimps or whiners are allowed.
3. There are no excuses for not attending. (Either be there or be a wimp!)
